Students will need to pick a **minimum of 3 subjects** (*it is vital that only one is chosen from each option block*). If students are selecting further maths they will select block A and E followed by something from blocks B-D. Students who select MD productions will not need to select any further subjects.

If students are selecting David Campbell Soccer School they will also have the option of selecting Business Studies should they wish to. EPQ and L3 Core maths are extra qualifications taken together with the 3 chosen subjects. Any student wanting to study 4 subjects will need to be predicted a range of 9's, 8's and 7's at GCSE.
